GREAT INLAND ROAD WOULD RUN THROUGH ALBERTA
A great deal of interest is being taken in the proposed military highway from Charlottetown, South Carolina, down Florida way (and on the Atlantic sea coast) to Fairbanks in far distant Alaska. Albertans will be particularly interested in this project conceived by the Washington-Portland highway association since the plan calls for the great artery to cross the border into Saskatchewan, angling off across the Saskatchewan-Alberta border at a point roughly mid-way between the southern and northern boundaries and apparently running close to Edmonton, then in a north-westerly direction to the British Columbia boundary, cutting through a corner of that province, and proceeding across the Yukon and into Alaska.

Hockey

Red Wings vs. Burns & Co.—
Saturday night a small crowd, considering the weather, turned out to watch Burns & Co. trim Strathmore by 6-4. It was a wide open game, play moving from one end to another very quickly. Calgary showed a decided edge on the Wings, in team work and skating.

Scoring opened with a shot from P. Giroux, when Calgary came back with four to wind up the period 4-1. Then, on Jan. 1, it seemed up to 6-4.

Wednesday night Red Wings tied up with Calgary Point in one of the roughest, foul for fouls, take exhibition in a long time. Calgary had a twenty pound average lead, and went out of their way to display it.

Wings showed decided improvement on the ice, and bid fair to make a dandy showing this season. Young Bobby Hagen in goal, deserves all kinds of credit for the way he performed last night, and really earned his shout.

The scoring ran all in favor of the Wings, 4-0. Credit opened the net in the first few minutes of play and Kimmet counted very shortly after with a long shot from his own blue line that left the goalie no-placed.

Halfway through the second period, Burns took a pass from Strathmore in front of the goal to score one of the nearest points this season. Kimmet finished the scoring in the third with another shot from the blue, that seemed to find its mark as by instinct, and penalties ran up to a matter of fifteen.

In speaking of trees at the reporting of council meeting last week, a misunderstanding was created by the statement that an unlimited number of fruit trees would be available in the Spring for any who desired.

This was in error. There will be trees for all but not fruit trees, some will be set, some other unspecified varieties, but no cotton producing poplars.

The W. I. held the first meeting of the year at the home of Mrs. E. M. Stoodley. Suggestions were given for this year's program which will be drawn up at a directors' meeting on January 15th at the home of Mrs. Walter Mercer. Amusing readings were given by Mrs. Stoodley and Mrs. Mercer. Plans were made for a dance in aid of the Red Cross. A letter from Jack Stoodley acknowledged the receipt of cigarettes and telling of his recent appointment to the position of head cook in the officers mess. Lunch was served by the joint hostesses Mrs. Stoodley and Mrs. Harriman. After the meeting adjourned Red Cross work was handed out. Mrs. Joel and Mrs. C. Kimmert have consented to handle the work for the coming year. The next meeting will be at Mrs. Larsen's, roads and weather permitting, falling this the Hall will be used.

Mrs. Brown received the sad news on New Year's Day of the death of her uncle Dr. Humeaston of Calgary.

Mrs. Leonard Hilton was prevented from attending the W. I. meeting owing to an outbreak of measles in her family.

Let's swim the sea of life together,
Your charms I can't resist,
She coyly dropped her eyes and murmured,
"You're on my wading list."

ANNUAL MEETING OF NIGHTINGALE HALL

The annual meeting of the Nightingale Community Hall was held on January 10th. Ten members were present. Mr. E. M. Stoodley acted as chairman. The main subject of discussion was again the question of rental. This is brought up year after year owing to dissatisfaction on the part of some of the residents in the community. It has been felt that the rental charged is too high, but the committee made it quite clear that, under the present system by which the Hall is operated, it is impossible to reduce the rates. If the Hall should be used as a community centre, free to the various groups on community activities, then it would be necessary to alter the Constitution and devise another method of procedure. This could only be done at a mass meeting and unless a greater interest is shown by the public things will of necessity go on as at present. A request for the use of the Hall rent free for a Red Cross was refused as being likely to establish a precedent. To offset this, the sum of \$5 was donated to the Red Cross by the members. A motion to have the Hall properly appraised for insurance was carried. The front and back approaches are also to be gravelled.

The new committee are as follows: President, Mr. Walter Mercer; Vice-President, Mr. Arthur Kimmert; Directors, Mr. Stoodley, Mr. Harriman, and Mr. Robert Newall. Entertainment Committee, Mrs. Arthur Kimmert, and Secretary-Treasurer, Mr. R. Gladden.

Canadian Red Cross Society

ALBERTA DIVISION

PRISONERS OF WAR PARCELS

The following has been received from the National Publishing Committee.

The packing of parcels of food for British and Canadian prisoners of war in Germany was begun this week in Toronto by the Canadian Red Cross Society. Five thousand food parcels, each weighing about eleven pounds and containing a well-balanced diet, are being packed in Toronto each week and in the near future another five thousand parcels per week will be packed in Montreal.

This undertaking of ten thousand food parcels a week will cost the Canadian Red Cross about a million and a half dollars a year and was one of the main items stressed in the Society's recent National wide appeal for funds. The International Red Cross, through its representatives stationed in Germany, grants free delivery of the parcels. Thousands of prisoners-of-war parcels sent to British prisoners in enemy territory by the British Red Cross have reached the men safely. The food parcels from Canada will be sent to New York, and then on to Lisbon by American export liners. At Lisbon, they are taken over by the International Red Cross and shipped to Geneva, where its representatives will handle the distribution.

The request for the supplying of these food parcels from Canada came from the British Red Cross, the Auxiliary of the British Government committee to the feeding of prisoners in enemy territory.

The British Red Cross has been sending thousands of food parcels for many months and has proof that 95 per cent reach the British prisoners in Germany. Each parcel contains a return post card which is signed by the recipient and returned. The work in England has slowed up owing to Nazi bombing, and that is why the Canadian Red Cross has been asked to help Britain in this undertaking. Dr. Fred W. Routley, National Commissioner, explained.

"There can be no doubt in any one's mind about whether or not our prisoners receive these parcels of food when it is considered that the British Red Cross has been sending the parcels for many months and is asking us to help only because the work is hampered by air-raids," he added. "Ninety-five per cent of the parcels included in the food parcels have been signed and returned to the British Red Cross."

Each parcel being shipped from Canada contains whole milk powder, butter, cheese, corned beef, pork luncheon meat, salmon, sardines or kippers, dried apples, dried prunes, sugar, jam, pilot biscuits, eating chocolate, salt and pepper, tea and soap. Dr. P. F. Tisdall, well known for his nutrition work, has given careful study to the food contents of the parcels, and has worked with a view to giving the prisoners a reasonably balanced diet. Each parcel contains two thousand and seventy calories per day spread over a period of a week. Norman C. Urquhart is Chairman of the Parcels to Prisoners Committee, and in charge of the voluntary groups who are packing the parcels, in Mrs. Marjorie Coste. Mrs. Coste's son, a flying officer with the R. A. F., is a Prisoner of War in Germany. Mrs. Coste formerly of Toronto, came to Canada from the British Red Cross where she was in charge of the packing of food parcels at St. James Palace.

Yours faithfully,
D. H. Tomlinson, Commissioner.

Under The Street Lamp

by P. E. (Pat) O'Hooley

Two recruits were pegging down a tent.
"Windy" Robison was holding a peg, and Doug Shrimpton was pounding them.

Attempting to give the peg a better blow, Doug slipped with the mallet and caught (guy) a nasty smack on the head.

Rising with a large bump Guy whispered to Doug: "Don't make about. The sergeant's watching us."

Darrel: "What makes you think she doesn't like you."

Sharp: "She told me she thought there was a fool in every family."
Darrel: "Well, what of it?"
Sharp: "I'd told her a few minutes before that I was an only child."

The school inspector, to test the faculty of observation in the pupils, crossed the room, shifting his fountain pen from one pocket into another.
"Now, what did I do?"
A smart little girl held up her hand. "You crossed in front of teacher without saying 'Excuse me!'"

Mrs. May: "Did Art come in?"
Edith McNeill: "No, mum, that was only the dog you had grownling just now."

Mrs. May (viewing important looking gentleman): "He's a baronet, eh? How did he get his baronetcy?"
Mrs. Tew: "Tobacco."
Mrs. May: "How many coupons?"

Frank Blacore comes to the fore with the glowing information that many girls are the "high explosive type"—dangerous when dropped.

There's a story coming to light about George Hindon, who shortly after he got to Sarcee was given a very ill fitting uniform. Knowing little about military matters, he did not salute an officer. To call his attention to his delinquency, the officer stopped him and said: "Do you see my uniform?"

George turned and said: "Yes, that's something like it; but see what a heck of a fit they gave me!"

"The conductor has no one, but tell them all where to get off at."

"Is there no hope, doctor?"
"Well, I don't know. What are you hoping for?"

It happened at one of those parties that the Temperance people worry about. At the inquest that followed, Ernie Whiteside was asked what happened.
"Well," he replied, "all of a sudden,

SPRING GARDENING

IT IS NOT yet time to get out the spade, hoe and rake, nevertheless a few Seed and Flower Catalogues have made their appearance, and in just a few weeks notwithstanding the possible zero or below temperature, garden enthusiasts will be perusing the new catalogues, to make their selection for this summer's array of bloom and vegetable. This is all to the good. There is nothing that enhances the attractive appearance of any home or lawn more than beds of brilliantly colored flowers.

Strathmore has many such. The exercise is beautiful and the thoughts ennobling. Auspicious of the coming Summer's gardens we print the following beautiful lines.

GOD'S GARDEN

Sacred Song—
 Words by F. D. Gurney,
 Music by Frank Lambert

The Lord God planted a garden
 In the first white days of the world;
 And set there an angel warden
 In a garment of light enfolded.

So near to the peace of Heaven
 The hawk might meet with the wren
 For there in the cool of the even
 God walked with the first of men.

And I dream that these garden closes
 With their shade and sunbeaked song
 And their lilies and bowers of roses
 Were laid by the hand of God.

The king of the sun for pardon
 The song of the birds for mirth
 One is never God's heart in a garden
 Than anywhere else—on earth.

Mr. Duncan, addressing a joint meeting of service clubs under auspices of the Canadian Club of Calgary, said "our pace is quickening; our strength is gathering; we are looking forward to the future with faith and confidence and with our chin up."

YOUR INCOME TAX

HOW? WHEN? WHERE? WHO? HOW MUCH?

THIS YEAR, almost every man and woman in Canada will share the burden of paying for the war. A million new taxpayers will pay who never paid before. A personal budget payment plan is available to old taxpayers who are faced with substantially increased income taxes.

Canadians are asked to shoulder their share of the war effort cheerfully and willingly. By paying your income tax regularly you help to speed the production of war material, and bring the day of victory closer. Figure out how much tax you will have to pay, and arrange to pay promptly when due.

Pay by instalments—the easy way—and save interest. Cut out this page and keep it for future reference.

WHO PAYS INCOME TAX?

If you are a single person without dependents, and your income in 1940 was more than \$700.00 you pay general-income-tax. If you are a married person without dependents, and your income in 1940 was more than \$1500.00 you pay general-income-tax.

If you are a married person with children, you are allowed \$400.00 exemption for each dependent child or grandchild, in addition to the \$1500.00 exemption.

NOTE: In addition to the general-income-tax you pay National Defence Tax on your total income without any exemption if you are single and your income goes over \$600 or if you are married and your income goes over \$1,200.

HOW DO YOU PAY?

Your income tax may be paid in the following ways—

1. The Present Method: At least one-third of the tax to be paid by April 30th, the balance, with interest at 5% from April 30th, to be paid by August 31st. On your balance unpaid on April 30th, the interest rate will be 8%.
2. The Proposed Method: In a monthly instalment without interest. To take advantage of this new way of paying, your instalment must be paid on or before January 31st. You must pay at least one-third of the estimated tax in four equal monthly instalments, in January, February, March and April, i.e., 1/3 of the estimated tax in each of the said 4 months. The remaining two-thirds must be paid in four equal monthly instalments in May, June, July and August, i.e., 1/4 of the estimated tax in each of the said 4 months. (This will be in the standard law.)
3. The Recommended Method: This method will not be found in

the law but it is a simple method, namely, in eight equal monthly instalments, without interest, commencing in January.

To take advantage of the monthly payment plan without interest, each payment must be made on or before the due date. Otherwise interest will be charged on the total balance remaining unpaid after April 30th.

EXAMPLE OF INSTALMENT PAYMENT WITHOUT INTEREST

If your estimated tax is \$600.00 you pay one-third of the tax (\$200.00) in four instalments (\$50.00 each) and the remaining two-thirds (\$400.00) in four instalments (\$100.00 each). Your payments are therefore as follows:

On or Before Jan. 31	On or Before Feb. 28	On or Before Mar. 31	On or Before Apr. 30	On or Before May 31	On or Before Jun. 30	On or Before Jul. 31	On or Before Aug. 31
\$50	\$50	\$50	\$50	\$100	\$100	\$100	\$100
\$140	\$190	\$240	\$290	\$390	\$490	\$590	\$690

However it is recommended that you pay your tax in eight equal monthly instalments of \$75.00 each—\$600.00.

Instalment Income Tax Remittance Forms are available at any post office, or any branch of any bank, or the office of the Inspector for your

District, and their use will ensure accurate and proper allocation of your payment. However, you can send in your instalments by ordinary letter with your name and address plainly stated thereon, clearly indicating the division between Provincial and Dominion Tax payments.

HOW MUCH DO YOU PAY?

The general-income-tax is payable on your net income less exemptions.

If you are single, your exemption is \$750.00. Thus if your total income is \$1,000.00 you must pay tax on \$250.00. The exemption for a married person is \$1,500.00 plus \$400.00 for each dependent child or grandchild. Thus if you are a married man with two children and a total income of \$2,500.00 your total exemptions are \$1,500.00 plus \$400.00 for each child, or \$2,300.00 in all. So you pay tax on \$200.00.

Payment: You may send a cheque, Post Office or Money Order in payment of Income Tax by mail, to the Inspector of Income Tax for the District in which you reside, made payable to the Receiver General of Canada. Write plainly, give your name in full, so that mistakes in crediting may be avoided. Do not send money or postage stamps in envelopes.

RATES OF NATIONAL DEFENCE TAX

For a single person
 2% on the total income if the income exceeds \$1,200 and does not exceed \$1,300.
 3% on the total income if the income exceeds \$1,300.

For a married person
 2% on the total income if the income exceeds \$1,200 for a tax credit of \$8.00 for each child or grandchild.
 For 1940 the tax is on one-half of the income and the tax credit is \$4.00.

As magic fingers drew from trembling reeds
 The semblance of a storm. And when the storm was over, came the calm, the patter-
 ing of rain.
 The sunbeams
 Just three short weeks ago, the average blue,
 Like devil loosed from hell; with
 bomb and fire
 Destroyed that venerable pile.
 The organ's voice is stilled for ever. All that is left to see, the lower
 stands, pointing its slender finger to the
 heights
 But somewhere in the ether,
 Waiting to touch responsive chords of
 memory.
 Those waves of sound go on forever. One touched my heart last night.
 The beauty in this world can never die.
 The loving heart; the sympathetic
 word.
 The fearless doing of the thing that's
 right.
 The tramping underfoot of all un-
 worthiness.
 And if material things we lose as we
 climb upward.
 Yet climb we must, or grovel like an
 octopus, in the dust.
